DETAILS

Are you looking to kickstart your journey towards a successful career? Imagine a programme that doesn't just teach you skills but equips you with the tools to truly excel in your chosen apprenticeship or job. Welcome to our Skills Experience pre-apprenticeship programme, your stepping stone to a bright future!

Unlike traditional classroom settings, our programme is all about learning by doing. You'll roll up your sleeves and after our initial work preparation element you'll dive straight into real-world tasks, gaining practical skills that employers are actively seeking.

“ My experience at Avant has been great, it helped me with so many things and I now feel more confident in myself and I feel I'm more prepared for life and they got me a great job that I am very excited to start ”
